Rev. J. M. Garrison Made Amnouncement Yesterday-Be Held at A. R. P. Church.

The following announcement was made yesterday by the Rev. J. M. Garrison, pastor of the A. P. P. church in this city:

church in this city;
Sabbath school conference will be held in the A. R. P. church of Anderson on July the 8th. Program will appear in the papers soon. Rev. J. P. Pressly, Rev. S. J. Hood, Rev. H. B. Blakely and Prof. E. L. Reid are among the speakers.

Let us remember the date and get ready for our guesis. We are expecting good delegations from Due West, Mt. Carmel. Iva. Generostee, and Grove congregations. I trust the local church will grrange to give this day to this very important matter.

Exercises open at 10 s. m. Latermission from 12 to 1:30 p. m. Adjourn at 3 n. m. at 3 n. m. Public is cordully invited to this

Diarrhoes Quickly Cared.

"About two years ago I had a savere attack of diarrhoes which hasted for over a week," rites W. C. Jones, Buford, N. D. "I secame so weak that I could not stant upright. A druggist recommended Chamberlain's Colle, Cholesa and Harrhoes Remedy. The first dose relied me and within two days I was as well as ever." Obtainable overywhite.

Dario Resta.

Dario Renta was the winner of Chicago's first Auto Derby. In the castest 500 mile automobile race ever conted he drove his French car to letory at the new Speedway Park. About 100,090 persons saw the miliar rest off the distance at an verage rate of 97.6 miles an hour, is time was 5 hours 7 minutes and seconds.

In winning the race Desta broke all world's automobile records for distances, from 200 miles to 500. His total winnings for the day's drive were \$24.500.

deral Inspection Under Quaran ine For All Shipments Into This Country.

Washington, June 29 .- By an ord

all Hawalian cotten be inspected by an inspector of the United Sintes department of agriculture before ship-ment to the mainland. Only those milis which have obtained licenses for this purpose are allowed to use the cotton, and before they can do so they must comply with certain regula-

The purpose of the new regulations is to prevent the entrance into the country of the pink bell worm in the seed of fereign cotton. Seed infected in this way has been found in a number of shipments and it is felt that stringent measures are necessary.

Traveling Man's Experience, "In the summer of 1888 I had a very were attack of choiera morbus. Two svere attack of cholera morbus. Two
hysicians worked over me from four
m. to 6 p. m. without giving me any
ellef and then told me they did not
xpect me to live; that I had best telgraph for my family. Instead of domg co. I gave the hotel porter fifty
onts and told him to buy me a bottle
of Chamberlain's Colls, Cholera and
liarthoes Remedy, and take no substiute. I took a double dose according
o directions and went to sleep after
he second dose. At five o'clock the
ext morning I was called by my order
ad took a train for my next stopping
oint, a well man, but feeling rather
haky from the severity of the attack."
rites H. W. Ireland, Louisville, Ky.

A Farm With a Big Income, in the current issue of Farm and eside, the national farm paper public at Springfield, Onio, D. S. Burch tos an interesting article entitled by Hay Machinery in which he how modern implements employ how modern implements applied w Hay Machiaery in which he will be how modern implements enable mers to put up their forage nuch ter, and it reduced expense in the trace of the article he tells disont a scessful manufacturer who once would from Ohio to Virginia to see we a practical farmer there made an ome of \$40,000 a year from 500 res of alfalfa. What this manufacter discoursed about this farmer is scribed in the following extract takefrom the article:

"He found him equipped with seven finder rakes, seven windrow leaders and the necessary wagons. He can kid a ton for hay after shipping by water a distance of 20 miles. In gross income is 550 an acre—and year after laking out the expense of stabilishing the alfalfa, making the lay and selling it, see has a selential income. But it can be malely assert and that he is a neighty skillful bay maker."
